**ADDITIONAL DATA FOR  
SINGLE SCHOPE BACKGROUND INVESTIGATIONS  
AND OTHER BACKGROUND INVESTIGATIONS**

**Part A**

IMMEDIATE FAMILY MEMBER WHO ARE RESIDENT ALIENS OR U.S. CITIZENS OTHER THAN BY BIRTH:

(Question # 17, SF86) Provide information if your parent(s), brother(s), sister(s), and/or child(ren) is/are foreign born. Use the same relation code below as that shown on the SF-86. If you have more than one foreign-born immediate family member of the same category, list each person's name after the code (e.g. #8 Joseph). If any citizenship is derived, show the parent(s) from whom the citizenship was derived, their date and place of entry into the U.S. and citizenship data. Use a separate sheet of paper if additional space is required.

1. Relation Code for each	2. Alien Registration or Naturalization Certificate Number	3. Date of Citizenship

**Part B**

SPOUSE (Question # 18, SF86) Provide information if your current spouse is foreign-born. If any citizenship is derived, show the parent(s) from whom the citizenship was derived, their date and place of entry into the U.S. and citizenship data. Use a separate sheet of paper if additional space is required.

1. Name	2. Alien Registration or Naturalization Certificate Number	Date of Citizenship

**Part C**

PERSONS SHARING LIVING QUARTERS AND OTHERS (Question #19, SF-86) Under certain clearance requirements, you are asked to provide data, regardless of citizenship status, for; (1) cohabitants; and (2) any other persons to whom you are bound by affection or obligation who may be subject to duress by a foreign power. For those foreign-born listed on SF-86, you need to provide information not previously provided. Include aliases, former married names and maiden names (show "nee" in front of maiden name). For additional space, use separate sheet and same number format.

A. Name of Person (Last, First, Middle)		1. Other Names Used (last, first, middle and dates used)	
2. Date of Birth	3. Place of birth (include country if outside the US)	4. Social Security Number	5. Date of Citizenship
6. Alien or Naturalization Number (if Citizenship is derivative, show the parent(s) from whom the citizenship was derived, their date and place of entry into the U.S. and citizenship data).			
B. Name of Person (Last, First, Middle)		1. Other Names Used (last, first, middle and dates used)	
2. Date of Birth	3. Place of birth (include country if outside the US)	4. Social Security Number	5. Date of Citizenship
6. Alien or Naturalization Number (if Citizenship is derivative, show the parent(s) from whom the citizenship was derived, their date and place of entry into the U.S. and citizenship data).			

1. Name of Subject of Investigation (Last, First, Middle)	2. Social Security Number
